EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
 2. Authorization for this examiner's amendment was given in a telephone interview with Anthony L. Miele on 08/03/2004.
 3. The application has been amended as follow:
 - a. Please replace claim 47 as
47. Apparatus comprising:
- a messaging application program interface (API), a network interface, a messaging facility, and remote enterprise applications, the API and network interface interfacing the messaging facility with the remote enterprise applications;
- plural sender computers, each of the plural sender computers comprising a message compose mechanism to compose a message and compose a corresponding designation, the corresponding designation comprising destination information identifying (i) a set of multiple human recipients and (ii) different modalities for transmitting the message to respective ones of the multiple human recipients;
- the API comprising a message and designation receive mechanism to receive, from the remote enterprise applications via the network connection, the message and corresponding designation; and

the API comprising a messaging facility direction mechanism to direct the messaging facility to effect transmission of each of the messages to their corresponding destinations in accordance with their corresponding designations.

Reason for allowance

4. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest, individually or in combination of the plural sender computers, each of the plural sender computers comprising a message compose mechanism to compose a message and compose a corresponding designation, the corresponding designation comprising destination information identifying a set of multiple human recipients and different modalities for transmitting the message to respective ones of the multiple human recipients, in light of other limitations in independent claim 47.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Liang-che Alex Wang whose telephone number is (703) 305-8159. The examiner can normally be reached on Monday thru Friday, 8:30 am to 5:00 pm.
